Subject: Happy Thanksgiving

This is a good time of year to reflect on the many blessings we have and to spend time with friends and family. Georgia and I sincerely hope you have a wonderful Thanksgiving break.

We are also mindful of the many among us who do not enjoy the advantages and good fortune we sometimes take for granted. As you relax this weekend, please give those brothers and sisters a hand if you have the opportunity. As someone once said: "We are all just helping each other home."

It is a great honor for us to spend this time of our lives with you.

Go Phoenix!
