Subject: Holiday Greetings

As we enter this very special time of year, Georgia and I want to express our deep appreciation to each of you for the many ways you make UW-Green Bay such a caring and vibrant community. This season is an important time for us to reflect upon our many blessings, to spread kindness and joy, and to express hope for the future. It is also a time to enjoy the love of family and friends. We wish you all of this and more as we close the chapter on another successful semester for our students.

We are particularly grateful for the opportunity to learn about and experience the ways in which the solemn and festive celebrations of the many cultural and faith traditions represented across our four campuses and communities affirm our shared humanity. We feel most fortunate to be part of such a special place at this time in our lives.

Have a wonderful and safe holiday season! Let's have a great 2019!
