GARY L. MILLER
Chancellor

To: University Community
From: Gary L. Miller *Gary L. Miller*
Date: August 14, 2019
Subject: Transition

I have informed President Cross that I will resign my position as Chancellor of the University of Wisconsin-Green Bay on September 30, 2019. On October 1, I will assume new duties as President of the University of Akron.

Georgia and I decided to make this move after deep contemplation. We have loved our time in Green Bay and in Wisconsin. It has been a great pleasure and a distinct honor to have had the opportunity to work with you over the past five years. You and the Green Bay community have been incredibly supportive as together, we have pushed and sometimes pulled to align this great university with one of the State's largest economies and fastest growing areas.

We have built a strong foundation for expansion and established the university as one of the most focused and influential in Wisconsin. What you have accomplished in transforming UW-Green Bay into an innovative, vital and fast-growing university is beyond extraordinary. What you do together in the future will be of equal significance. We will certainly watch with great excitement.

I hope you are as proud as I am of what we've accomplished. In the coming weeks Georgia and I hope to speak to as many of you as possible. And, of course, we will hold all of you close to our hearts as our lives move forward.

Go Phoenix!
