Keynote Topic: 21st Century Skills to Build Blended Learning Experiences

“To ensure 21st century readiness, we must fuse the three Rs (reading, writing and arithmetic) and four Cs (critical thinking and problem solving, communication, collaboration, creativity and innovation)”
—John Kuglin

About the Keynote Speaker

Technology pioneer and education leader, John Kuglin, and other local experts, offer advice and hands-on instruction to educators who want to explore, experience, understand and gain current 21st century skills.
